

Appeasement #2

1. Why might it be said that Germany deserved a fair deal?
2. Why was giving extra land to Germany dangerous?
3. Appeasement meant Britain and France gave Hitler what he wanted - why was this a bad idea?
4. What did the policy of appeasement give Britain a chance to do?
5. Is there any evidence to suggest appeasement was a popular idea in 1938?
6. What made people want to avoid another war?
7. Appeasement meant a strong German leader was supported how did this benefit Britain and France?
8. With the policy of appeasement, the USSR became worried what was the result of this?
9. Why should the politicians of 1938 have realized Hitler would not keep to his promises at the Munich Conference?

Appeasement
Was a Mistake = The Allies had to stand up to Hitler

It encouraged Hitler
Giving into Hitler only made him feel he could do what he wanted - without fear of being stopped.

Appeasement
Was NOT a Mistake=Allies were trying to stay out of war

Britain needed time
By giving Hitler what he wanted, Britain had more time to build up her armed forces.
